**WARRANTY INFORMATION**

All Kimball & Young metal finishes and reflective materials are fully warranted for an industry leading three years. This warranty does not cover damages resulting from accident after purchase, misuse, abuse, lack of reasonable care, or loss of parts. For lighted mirrors, this warranty does not cover the original light bulb beyond the "normal" lifetime of the bulb. The life of the finish will be best cared for, especially in areas of high heat and moisture, by keeping all surfaces clean and dry.
